

IT'S LOVELY TO MEET YOU!

Seasoned motion designer and video editor based in Brooklyn, NY with 7+ years of experience in TV production and social media advertising. Created multiplatform social content and animations for notable companies such as Netflix, Topo Chico, Duolingo, and Calvin Klein. Experienced in fast-paced and detail-oriented roles that require multitasking within creative projects using the Adobe After Effects and Premiere. Highly communicative and responsible, while bringing passion and joy to the creative team.

EXPERIENCE

Freelance Animator and Motion Designer

July 2019 - Present

- Currently a Motion Designer at HAYMAKER
- Animated, designed, and lead multiple TV shows, trailers, ads, and games
- Skills utilized include motion graphics, 2D animation, illustration, character design, background layout, and composite
- Managed productions and teams for animated projects
- Select clients include Netflix, Duolingo, Headspace, Topo Chico, and Calvin Klein

Animator and Production Coordinator

Augenblick Studios

July 2017 - July 2019

- Animated and designed characters for multiple TV animation and web series including The Jellies (Adult Swim), Losers (Netflix), and TED-Ed (TED) using Adobe Animate, After Effects, Photoshop, and Premiere
- Supervised the animation quality of 5-15 artists for The Jellies, Season Two (Adult Swim) and multiple unreleased TV show pilots

FEATURED PROJECTS

Animation Director and Motion Graphics Animator

Duolingo Duoshorts

- Rigged and animated Duolingo's iconic characters in Adobe Animate for three-minute shorts explaining cultural practices
- Directed a team of 3 animators and established brand consistency, lively animated movements, and punctual timelines
- Composited shots for final delivery using Adobe After Effects

Logo and Broadcast Motion Designer

Butcher Bird Studios Rebranding

- Collaborated with Darkred Studios to bring Butcher Bird Studio's eponymous logo to life, giving it personality, charm, and mystique
- Storyboarded and brainstormed main logo animation iterations and modular emoji ideas for usage across the studio's platform and brand
- Contributed to multiple broadcast assets such as AB transitions, lower thirds, and end cards
